Here's What The Rock Stars Are Saying ...

"It's about time for a new Rock mag like 22nd Century. I find it refreshing that in these days anyone can come up with something new, but I think these guys have. My hat's off to them and best of success in years to come!"

– Rickey Medlocke, Lynyrd Skynyrd

"22nd Century Rock ROCKS ABOUT AS HARD AS A MAGAZINE CAN!"

– Hugh McDonald, Bon Jovi

"22nd Century Rock Magazine is one of the best rock mags to come out in ages. It is well-written with good photography and covers not only the new emerging rock artists but the Classic Rock icons that inspired them"

– Stuart Smith, Heaven & Earth

"A futuristic title, for the future of rock."

– David Ellefson

Lately we have all witnessed a decline in all aspects of rock. From radio to record sales it has been bleak. It's nice to see a magazine that refuses to give up on the roots that made music what it is today. Thank you 22nd Century Rock Magazine for leading the fight to keep Rock-N-Roll alive!"

– Bobby Capps, .38 Special /EVANSCAPPS

"It's nice, always nice to see passion behind the arts."

– Troy Luccketta, TESLA
